

Pessano con Bornago – July 16th, 2024

Subject : Directive 2011/65/UE e 2015/836/EU – Manufacturer Declaration

We, Castel, hereby declare that all the products supplied to our customers are compliant to the Restriction on Hazardous Substances, as defined in the Directive 2011/65/EU (RoHS 2) and subsequent amendments of the Directive 2015/863/EU. These Directives repeal the existing Directive 2002/95/EC (RoHS) on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Specially Castel products:

1. Do not contain mercury, cadmium, hexavalent chromium, PBB, PBDE, DEHP, BBP, DBP, DIBP
2. Do not contain lead as an alloying element in aluminium.
3. Contain lead as an alloying element in:
 - steel within the limits of acceptability foreseen in the exemption 6a)-I of the Annex 3
 - brass within the limits of acceptability foreseen in the exemption 6c) of the Annex 3
